Review purpose of the School Improvement Council

_Linda Icard briefly discussed the purpose of SIC with the new members

Overview of School Renewal Plan

Anita Watts discussed the School Improvement plan which consists of 5 years.

Discussed new programs within A.R. Rucker Middle School, one is a Leadership Program for boys.

Went on the main points of the plan and how we can improve test scores

School Improvement Plan Goal: Parent Involvement Exploration

We discussed ways to get parents involved. ConnectEd, email, sharing information about the school on social media.

The main areas we focused on were: Ideas, Success, and Progress Monitor Data.

Anita Watts will connect with some students and get their opinion on how to get more parents more involved and what we need they need to do. We did an exercise on how to get parents involved.

Discussed the food pantry for families in need.

How you as a parent can help your child at home, an example was a workshop.

Gina Lucas discussed the Women's Enrichment Center for any young lady that we may know that needs any assistance.
